

Learning Gateway

RGA offers a growing range of products to meet learning needs, available free of charge to selected RGA clients!

launch — comprehensive modules on foundational risk management and underwriting topics with multiple opportunities to practice and apply skills

GULF Stream — short videos on a variety of contemporary risk topics presented by RGA experts from around the globe

GULF Bites — highly visual and interactive anatomy and physiology job aids

GULF Practice Park — case studies with a variety of risk factors and complexity levels

Hank George Continuing Education — research papers on a variety of underwriting topics produced by Hank George, Inc.

All of our products offer knowledge tests to demonstrate learning.

Why E-Learning?

- Access learning when it suits you, 24/7, on a computer, or mobile device
- Learn at your own pace, choose the order, repeat, or skip
- Realistic examples that reflect the workplace
- Comprehensive and consistent learning experiences

To access all training, log on to [RGA Central](#) and choose **Learning Gateway**. If you have any questions, contact your local RGA Representative or email learning@rgare.com.
